

WHY THERE'S A NEED FOR REMOTE CONSULTS

TELEVISIT HEALTHCARE—JUST A VIDEO CALL AWAY

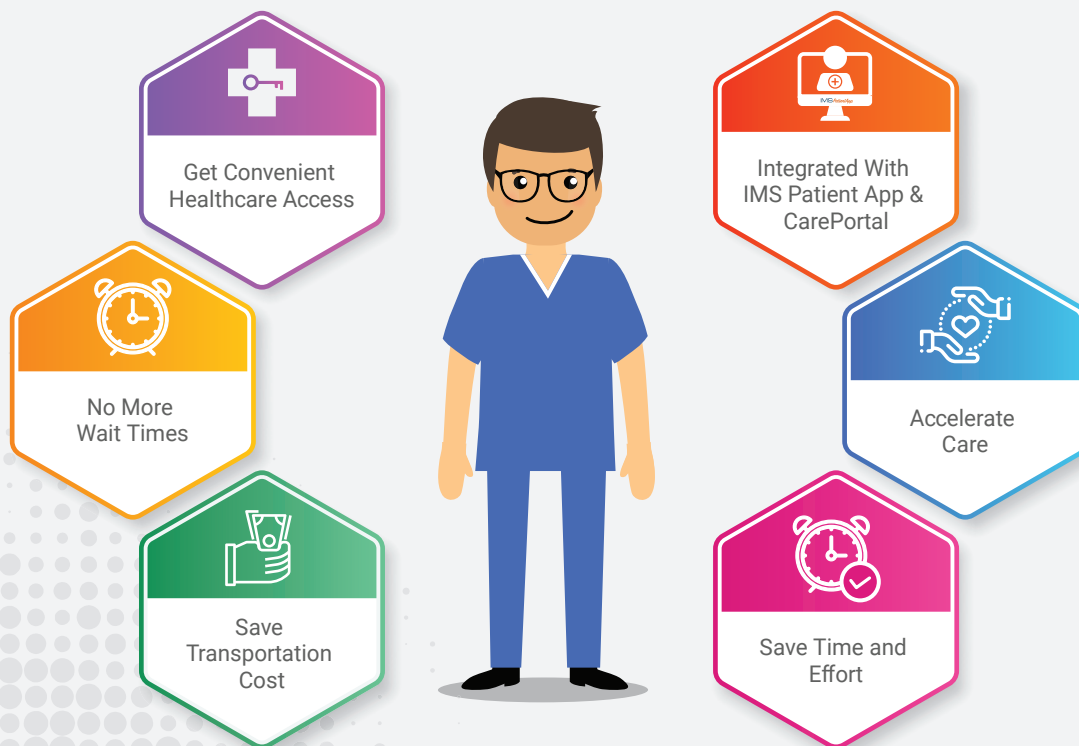

VIRTUAL SOLUTION. WITH REAL BENEFITS

“Telemedicine allows our office to provide easy and efficient follow-up visits to our patients. Offers a better ROI because they do not typically require additional staff for triage or check-in process.”

Sherri Aaron

Computer Operations & Data Manager,
Alabama Allergy & Asthma Clinic

American Hospital Association reported on a telemedicine program that **Saved 11% in costs** and more than tripled ROI for investors.*

Future-proof your practice. Give Televisit a try today!
